MOVING INSTRUCTIONS

BOOKINGS

To ensure the lift and loading zone is available residents moving furniture or large items into or out of the building must first book **at least 48 hours** prior to the move. Residents can make a booking through BuildingLink using the Amenity Reservation tab. If you don't have a Buildinglink Login or are having issues making a reservation please contact building management via email on management@sonomaapartments.com.au .

VEHICLE ACCESS

Residents should refer to the map overleaf for the removalist truck parking area and access.

Removalist trucks should park at the front of the entrance driveway, only trucks with a maximum height of 2.1m can access the car park. Items can then be taken through the car park to the lift. Please note items are not permitted to be taken through the main foyer.

Lift Dimensions

All Buildings 112cm wide (Doors are 90cm wide) x 259cm long x 217cm high

MOVING CONDITIONS

- Residents are only permitted to move between :
 - 7.30am and 5.30pm Monday to Friday
 - 8.30am and 5.00pm Saturday
 - 10.30am and 5.00pm Sunday
- Trucks must only park in the designated areas in the driveway and must not obstruct traffic.
- Only 1 apartment is permitted to move into/out of the building at a time.
- Residents are not permitted to move items through the entrance foyers on level 2 podium levels.
- In the interest of security doors they should not be propped open or aggressively jammed.
- No damage is to be made to common property, particularly walls (building management will inspect the area after the move).
- No mess (dust, dirt, rubbish, surplus furniture or personal effects) is to be left on common property and any common property hallway or lift used must be vacuumed after the move.
- Any large items to be discarded must be taken down to the car park garbage areas, please do not leave items in chute rooms.
